Cagliero has a wine of high-level.

Chiamblo rosè reveals a remarkable softness, smoothness of taste and oenological clearness.

Dolcetto d'Alba 'Nonna Marcellina' 2006 is turgid and powerful in his strong and acid/tannin wine.

Barolo Ravera 2003 has a high social standing: important extracts and power, balsamic persistence of ripe fruit and great spices, which is perfectly perceived.

All wines have a great substance.
